ABOUT THE DEMODAY

The DemoDay is all about the startups and scale-ups that Nijmegen has launched in recent years. The day is for ALL entrepreneurial minded people! We want to showcase innovation, impact and entrepreneurship from the Radboud Campus. The day will consist of two parts:

1. **Mercator Lunch XXL**. During this invite-only lunch, investors will pitch for startups (yes, the other way around!)
2. **Demo Market**. Friday afternoon, at the at the Erasmus plein, the heart of our campus, you'll be able to showcase your innovation to the whole startup ecosystem, get in contact with investors, and meet future customers, employees and of course fellow entrepreneurs at this event.

WHY JOIN?

- Get in contact with investors
- Network capabilities
